

LEAGUE TO OPEN
HERE SATURDAY

Drop by drop, the gently falling rain decided upon Richmond and vicinity yesterday, knowing the proposed game between the Lawmakers and Princeton into a soaked but, and drawing deep sighs from the fans as the word was passed "there'll be no game to-day."

As Princeton is scheduled to meet Virginia at the park today, and A. and M. to-morrow, the Lawmakers will have nothing to do but practice and get into shape for the opening of the league season with Roanoke on Saturday. And then, wow! Its up to the locals to show that they are out for the pennant, and if they do so, every rooster in Richmond will be at hand with a bunch of yells that will shake the new bleachers to their foundations and animate the newly painted signs on the fences.

On account of everybody being satisfied with the schedule, except Norfolk and Portsmouth, it has been decided to leave the schedule as it is, and all games will be played accordingly.

Nelson Sandhur, a new infielder, arrived here last night from Atlanta where he has been playing with the South Atlantic League. He is said to be a fast and reliable fielder.

The wedding out of the team will begin the latter part of this week. McLean and Parlier have already been dropped, and Lipe says he intends to see that every position is filled by a man who knows his job.

Roanoke will also play here on Monday, Tuesday and Wednesday. As this team is cracked up as the real thing, the fans will be given the best kind of an opportunity to judge the locals.

PRINCETON VS. A. AND M.

Richmond baseball fans will have the chance to-morrow to see the first game ever played between Princeton and the Agricultural and Mechanical College of North Carolina. The prowess of the Tar Heel aggregation is well known, as they have defeated some of the strongest teams from the North. Last season they won the championship of the South Atlantic States, and are putting in a strong bid for the same honor this year.

The Agricultural and Mechanical squad has the reputation of being one of the fastest and hardest hitting teams in the South. The team will reach the city this afternoon and will put up at the Richmond Hotel. Lipe is already in town making final arrangements for the game, and he expresses himself as confident of taking the Tigers into camp.

NORFOLK LOSES

[Special to The Times-Dispatch.]
NORFOLK, VA., April 15.—Buffalo had no trouble this afternoon in defeating the Norfolk team of the Virginia League in an interesting and fast game. The score of 5 to 2. Rain stopped the contest in the second half of the seventh inning. Milligan pitched a steady game for the visitors, going the entire game. A good first pitch, a slight fall of rain marred the fielding, and the excellent showing was a surprise to both teams.

The batting of Wiley Schmitt, Murray, Stuart and Bertram were the features. A fast double by the Norfolk team and the clever throwing of Archer to the bases were distinctive features.

The score by innings: R. H. E.
Buffalo.....1 1 0 0 2 0—5 2
Norfolk.....0 0 0 0 0 0—0 2
Batteries—Milligan and Archer; Bertram, Jackson, Fox and Edwards and Smith; Time, 1:20. Attendance, 500. Umpire, Westcott.

LAKESIDE GOLF CLUB
WILL PLAY COLUMBIA

A party of golfers will leave to-morrow night for Washington to try conclusions with the Washington team on the Columbia Club of that city. It is expected that the team will consist of ten players, but this number may be increased later. Previous matches with the Columbia Club have resulted in two victories for Columbia and one for Lakeside, but it is hoped that the Lakeside players will be able to even up matters on this occasion. Unfortunately, several of the best players will not be able to make the trip, but this is in no way interfering with the spirit of the others, who are one and all determined to go in to win.

WILL DECIDE THE
WELTER CHAMPION

Young Ajax and Joe Turner Will
(Wrestle Here Next Tuesday
Night.)

"Young Ajax," champion of Mexico, will meet on the mat next Tuesday night. The match will decide the welterweight championship of the South, and should be the best wrestling contest seen in Richmond for years.

George Herbert, who is arranging the match, received definite word from the great Wrestling Tuesday yesterday, saying that he was in training and would arrive here Tuesday morning. The bout will be a finish for the best two out of three falls, catch-as-catch-can. Two, and perhaps more, preliminaries will precede the main event.

The big match promises to be a great draw and, as Corcoran Hall, where it will be held, is sure to be filled to its capacity, Turner is considered invincible by capital sports and he has a long string of victories on his belt. He has thrown "Young Sandow," who wrestled here with Herbert, Rob Fay Mackey, Parker of Baltimore, one of the best in the business, from whom it took an hour and eleven minutes to win a second fall. Andy Solinas, Joe Williams, the mule, and other well-known mat artists. Turner also figured in an exhibition match with Hackenschmidt.

The ability and wonderful strength of "Young Ajax" is too well known here to need recording. He has taken many famous wrestlers and has yet

RIVAL COLLEGES
WILL MEET TO-DAY

When Virginia and Princeton cross bats at Broad Street Park this afternoon, baseball fans here and elsewhere will have the opportunity of witnessing one of the best exhibitions of college baseball to be seen this year on any diamond.

The Virginia squad arrived yesterday afternoon and are stopping at Murphy's. Susong will enter the box for Virginia, but otherwise the line-up of the team is not yet known. The Tigers in Charlottesville, which are anxious to see Carl Walker, the local boy, perform, and he will probably have an opportunity to twirl. The game will be called at 4 P. M.

The Princeton squad, numbering twenty men, arrived yesterday morning from Charlottesville, and are stopping at the Jefferson. The personnel of the aggregation is very interesting. Harlan, the all-American football halfback, a former member of the Princeton team, is the captain of the nine. Dillon, the second baseman, for the last three years, has been selected as a member of the second all-American team.

In Heyinger, who will pitch to-day,

the Virginians go up against the most successful of college pitchers. Each season for the past three years he has won two games each from Harvard, Yale and Pennsylvania, a record that has never been beaten.

"Dutch" Meier, the coach, is a former Princeton man, and was secured from the Pittsburgh Nationals.
